Other Pertinent Information:

Business hours are 11AM-7PM Monday-Thursday Eastern Time

As a private client you have access to me outside of business hours when needed for support. Try me at the office first. Except for emergency, please call between 8 AM and 8PM during the week and on the weekend, between the hours of 10AM and 5PM.

I do my best to respond to email from private clients within 24 hours. Please make your subject line specific that you have a question – or I may assume that you are sending in coaching actions or updates and only look at them just before your session.

Due to my ongoing responsibilities to my aging mother, I will be less likely to see emails outside of business hours. If you need me to review something more urgently, feel free to send me a text on my cell or give me a call at home.

I have been having some trouble with ISPs blocking my emails (particularly Yahoo!). If you have sent me an email with a specific question and you haven't heard back from me within 24 hours, please follow-up.
